## April 12 Round Table-Seminar

Are you a professional sales person? Chances are you answer "NO" to that question. Most of us, even small business owners, don't think of themselves as sales people. Yet the #1 success factor in our business is our ability to sell the product or service we offer. No business is immune from the need to sell. And face it...we sell every day, whether we realize it or not. We sell not only to customers, but to prospective employees, referral sources, bankers, and more. So how could we become better sales people without feeling uncomfortable about it, and use our newfound sales skills to increase revenue?

Please join fellow Plymouth Chamber members on Tuesday, April 12 from 7:30-9:00am for a roundtable-seminar on this topic led by business coach Jerry Baltus. The session will be held at PJ Campbells at The Depot Restaurant at 114 Depot Road in Plymouth. If you are planning on attending this free discussion, please let our office know by calling 920-893-0079 or sending us an email at [plymouthchamber@frontier.com](mailto:plymouthchamber@frontier.com).

## Plymouth Video

Have you seen the new video showcasing Plymouth as a great place to live and visit? This video, produced by SilverWater Productions, can be viewed on our website ([www.plymouthwisconsin.com](http://www.plymouthwisconsin.com)) or at [https://youtu.be/5SRCAaVR\\_8g](https://youtu.be/5SRCAaVR_8g). We encourage all businesses to use this video as a tool for perspective employees or to attract tourists to our area. Let us know if you have any questions!

## Plymouth Area Job Fair

The Plymouth Chamber hosted a successful job fair on Wednesday, March 16 at Amore Banquet Hall! There were well over 220 local residents who stopped in to check out the 20 local employers who had a booth during the four hour run. Thank you to event sponsors Sargento Foods, Inc., Masters Gallery Foods and Milk Specialties Global for helping us pull off an event that we hope we can do again soon!

## Ribbon Cutting and Open House

Join the Plymouth Chamber of Commerce on Friday, April 8 at 12:30 pm for a ribbon cutting celebrating Joseph & Joseph Dental's new facility located at 515 East Mill Street! They are located just east of their previous location. After the ribbon cutting, stay for their open house!

## Downtown Plymouth Flower Pots

We are looking for more sponsors for the flower pots that will line downtown Plymouth starting about Memorial Day. To be a flower pot sponsor it costs \$150, which is used to pay for the flowers and the watering that needs to be done multiple times during the week. A nameplate will be attached to the side with your business name on it. Last years flower pots were beautiful, and we can't wait to see this years! If you are interested in sponsoring a flower pot, let us know!

## Wittkopp Funeral Home Business Connection

Our next Business Connection will be held on Thursday, April 21 at Wittkopp Funeral & Cremation Services, located at 123 South Street in Plymouth. The Business Connection will be from 5-7 pm, and will include refreshments and appetizers.

Please rsvp to our office at 920-893-0079! Even if you can just stop in for a short time, please do so!
