Masters Gallery Foods, Inc. Wins Sheboygan County Manufacturer of the Year Award

Elkhart Lake, WI— The Sheboygan County Chamber Champions Gala, held on February 22, 2024, celebrated the many successes among Sheboygan County businesses. With over 70 companies and organizations nominated for various awards, Masters Gallery Foods, Inc. was honored to accept the award of Manufacturer of the Year. This prestigious acknowledgement of success is a great honor recognizing Masters Gallery Foods’ business excellence in positively impacting Sheboygan County.

Masters Gallery Foods was one of nine manufacturing facilities nominated for this notable award. KEES, MilliporeSigma, Nematik, Poly Vinyl Company, Rockline, Sargento, Sheboygan Pasty Company and Vollrath were among the other nominees. “It is a huge honor for Masters Galley Foods to win this award. It exemplifies what we continue to do in Sheboygan County to grow our business and create a lasting culture for our employees. We appreciate the support of our employees and the community and couldn’t do it without you, thank you!” –Jeff Gentine

The annual award process begins in fall when the Chamber puts out a call for nominations from their members for their members. If nominations were not Chamber members or were self-nominated, they were disqualified. Nominees are then sent category-specific questionnaires. Chamber member representatives from a variety of fields are asked to be judges and personally go through the questions, score and tally the nominations individually. Judges then gather to review score sheets, percents are tabulated and the winner is determined (judges with affiliations to the nominees are unable to vote in those categories).
